Please state if you feel that a particular question is not applicable to your proposal.

2. Please describe in detail the project for which you are seeking support and how it meets the criteria of the award. This should include any title, concept or theme of the project. Please note that the term project is used loosely as a catch all to describe what you are applying to the scheme to fund.
3. Please give details of the timescale for the project, giving anticipated dates of key stages or events.
4. If you are applying for a residency or support for the development of work for an exhibition it would be useful to provide a letter of support from the venue with a brief outline of their commitment.

6. Please submit your CV or provide details of your background and an outline of your work to date including for example commissions, awards, projects, publications etc.
